

## # Campus to Corporate.

1. How campus is different from Corporate?

→ There are few differences in campus and ~~college~~ ~~which~~ that are:-  
corporate

1. In campus life, there are classes, exams and conferences or workshops, while in corporate life all the process of completing work is fast-paced and completion within deadlines.

2. The culture of campus and corporate is different based on mindset and work.

## 2. Communication style in campus and corporate?

→ Communication style in campus is non-formal as well as friendly, whereas communication style in corporate is way more formal and proper.

→ For example,

In campus, people often communicate face-to-face.

In corporate, communication is done through e-mails or letters.

## 3. What to follow in campus life and what not to follow in corporate?

→ In campus life, many things to follow:-

- campus rules and regulations.
- Participate in co-curricular activities.
- Volunteering
- Follow your passion of study and a particular subject.

→ In corporate, There are few thing that should not be followed:-

- Being Unprofessional.
- sharing personal talk as well as salary.
- Being late and missing work.
- Do not say yes to everything.
